Our experienced HCA's work under the supervision of the qualified nurse.

HCA's perform important duties such as ECGs, wound dressing, pregnancy testing and venepuncture (taking of bloods) and are a big part of our nursing team here at the Hastings Medical Practice & Walk-in Centre. They can help you access other services to support a healthy lifestyle.

Our Management Team

Mariann Cleverley – Associate Director of Integrated Services

Debbie Pullinger – Clinical Lead for Brighton, Hove and East Sussex

Kelly Henham – Patient Services Manager

Kathleen Jewell – Patient Services Support Manager
